Argon ST, Inc. Announces First Quarter 2010 Results

FAIRFAX, VA—February 4, 2010—Argon ST, Inc. (NASDAQ: STST), a leading developer of command, control, communications, computers, combat systems, intelligence, surveillance, and reconnaissance (C5ISR) systems, today reported results for the first fiscal quarter ended January 3, 2010:

- Revenue for the first quarter was \$73.2 million;
- Operating income for the first quarter was \$7.5 million, or 10.2 percent of revenue;
- Fully diluted Earnings Per Share (EPS) for the first quarter of fiscal 2010 was \$0.21 on 22.1 million shares and share equivalents;
- Adjusted EBITDA for the quarter was \$11.6 million, or 15.8 percent of revenue; and
- The company was awarded contract bookings of \$49.5 million in the quarter and ended the quarter with a backlog of \$209.5 million.

“We are pleased with our start to the year,” commented Dr. Terry Collins, Chairman and Chief Executive Officer, Argon ST. “While our bookings for the quarter were tempered by the availability of fiscal year 2010 funding, our early second quarter bookings activity is very encouraging and we look forward to continued bookings strength in the remainder of the year.”

Kerry Rowe, President and Chief Operating Officer, Argon ST said, “Argon’s systems, products, and personnel performed well for our customers in the first quarter. Around the world our shipborne, submarine, airborne and ground-based systems brought critical information to the fight. Our systems under development passed important milestones on their way to production and deployment. In addition, recently awarded efforts moved through early program successes, and key opportunities made further progress toward contract award.”

Non-GAAP Financial Measures

In addition to the Company's financial results reported in accordance with accounting principles generally accepted in the United States of America (GAAP) included in this press release, the Company has provided Adjusted EBITDA that is not calculated according to GAAP. Adjusted EBITDA is defined as earnings before interest, taxes, depreciation, amortization, stock-based compensation and acquisition-related retention.

Management believes that the measure Adjusted EBITDA provides investors important information about the operating trends of the Company. Adjusted EBITDA excludes certain non-cash expenses, such as stock-based compensation expense and excludes other expenses that management does not believe are reflective of ongoing operating results. Management uses Adjusted EBITDA to evaluate performance of its business operations.

This non-GAAP measure is not in accordance with, or an alternative for, measures prepared in accordance with GAAP and may be different from non-GAAP measures used by other companies. In addition, this non-GAAP measure is not based on any comprehensive set of accounting rules or principles. Non-GAAP measures have limitations in that they do not reflect all of the amounts associated with the Company's results of operations as determined in accordance with GAAP. These measures should only be used to evaluate the Company's results of operations in conjunction with the corresponding GAAP measures.

Reconciliation to the nearest GAAP measure of all non-GAAP measures included in this press release can be found in the tables included on Annex A of this press release.
